Lord Jesus,
Thou who art the Way,
the Truth
and the Life;
hear us as we pray
for the truth
that shall make all free.

Teach us that liberty
is not only to be loved
but also to be lived.

Liberty is too precious
a thing to be buried
in books.

It costs too much
to be hoarded.

Help us see that our liberty
is not the right
to do as we please,
but the opportunity
to do what is right.

Peter Marshall

RESIDENT SPOTLIGHT

Agnes S. was born and raised in Pittsburgh. After graduating from Allegheny High School, she went on to work for Allis Chalmers for the next 17 years until they moved out of the area. She then did computer work for Koppers Industries for 18 years. After retiring at 62, Agnes went on to Social Ministry School through the Diocese of Pittsburgh and worked for the next 23 years as the Social Minister at Risen Lord Parish until she retired this past December.

Agnes states that the best part of her life was her work in social ministry. She relished helping others, getting to know them and connecting them with the church. Agnes took care of her mother, enjoyed traveling with her friends to Canada for two weeks every summer and going to the CLO, the Benedum and Heinz Hall for performances.

One of her favorite activities was doing ceramics. Not only did she enjoy making things but got equal pleasure giving them away. Agnes also liked planting her coleus and watching them grow and burst into colors. Today, Agnes has a great view of our patio and will keep a close eye on our flowers and tomato plants for us. We are blessed to have such a caring and giving person here with us at Holy Family Manor.

MANOR MEMORIES

HONORING OUR HEROES

Holy Family Manor, Nazareth Learning Center and our Mt. Nazareth Commons neighbors joined together to honor our local heroes: our firemen, policemen and paramedics. Special events included a blessing of our heroes, a gift presentation and a chance for our children to experience police cars, bikes, k-9 dogs, ambulances and fire truck and equipment.

Residents enjoyed the music but most of all, they enjoyed watching the children use a fire hose, get a tour of the ambulance and interact with the policemen. Earlier in the week, both residents and children drew pictures for the art show. Volunteers from Mt. Nazareth Commons helped with the picnic, popcorn and props for the children's games which added to the festivities.

“This was a celebration for all ages. A certain magic happens when these generations interact,” stated Sister Antonina. Through her tireless efforts, our local heroes were deeply moved by their special picnic lunch but mostly by being honored by so many.

A Touch of Loveliness

Add a touch of loveliness to the things you say and do. Give pleasure to more people by a happy smile, won't you?

Be thoughtful of the people whom you meet along the way, then to God you will be dearer, He will love you more each day.

Aim higher, think kinder, be a better, nicer you. Aim higher, think kinder for the world has need of you.
